

CRIS – PeopleSoft Login Changes for Remote Access Users

We are in the process of upgrading our remote user login process.

Continue using <https://access.delaware.gov> until you receive communication from the Pension Office with the new login process.

You will see the below message when logging into <https://access.delaware.gov>

Effective January 1, 2018, access via the following authentication realms will be discontinued: cj.state.de.us, egov.delaware.us, state.de.us. If you are still using one of these realms, please contact your DTI authorized VPN Technical Approver for migration assistance.

Additional communications will be forthcoming.
