

## CRIS - PeopleTools 8.56.09 Features

The Office of Pensions will be implementing a PeopleTools upgrade for CRIS (PeopleSoft). CRIS will be on PeopleTools 8.56.09.

CRIS will be unavailable starting Thursday, October 4, 2018 from 5:00p.m. until Friday, October 5, 2018 at 5:00p.m. for the upgrade to take place.

Below are changes you will see with the new PeopleTools version.

1. On the initial sign-on screen, the checkbox label has been changed from “Enable Accessibility Mode” to “Enable Screen Reader Mode”.

2. On the top right of the banner bar once logged in, three ellipses will be shown instead of hamburgers.

Classic Plus adds the Fluid styling to classic desktop pages for continuity across all your PeopleSoft applications. The PeopleSoft Fluid User Interface is a modern, responsive User Interface that lets you work on phones, tablets and desktops. This will provide a more uniform experience.

- 3. On Classic Plus pages, the following Blue Spinning wheel will show up in the middle of the page while the request is in progress (excluding Save on the page).

- 4. On Classic Plus pages, the following Green image will show up at the top of the page while the Save is in progress.

- 5. On Classic Plus pages, the look and feel for the objects including the font sizes / field labels / field headings in the grid / information on the messages (warning / error) will be shown bigger.

**Example - Page:**

**Employee Contributions**

	Effective Date	Begin Date	End Date	Process Date	Pre-tax Contribution	Post-Tax Contribution
