

Pension Application Update: Return to Work Guidelines

The Office of Pensions updated the online pension application to conform with Delaware Law, which will be effective 5/26/2020. The return to work guidelines do not apply to the County Municipal Police/Fire plan, the County Municipal General plan, or the Judicial plan. Therefore, the printed pension application will no longer include the return to work guidelines requiring the pensioner's acknowledgement.

The Certification of Applicant requiring the agreement or disagreement on the accuracy of the creditable service schedule, including applicant's signature in the presence of a Notary Public and date, is still required.
