

STATE OF DELAWARE OFFICE OF PENSIONS

EMPLOYER ALERT JULY 2021

PENSIONER PERSONAL EMAIL ADDRESSES

The Office of Pensions is migrating from DE-SSO to OKTA which is an enhanced and more robust online access system for our pensioners. This system will allow them to register and view the pension advices online.

In preparation for the migration, we need your assistance. The **personal email address** must be populated in Pen-App on the Employee Details tab. If a personal email address is not entered, a Pension Office employee will contact you for the required information. Please do not use their current work email address.

Thank you for your cooperation.
