

UPDATES TO MEDICARE RELATED FORMS

On October 19, 2022, the Superior Court of the State of Delaware granted an interim Motion to Stay on the State's Medicare Open Enrollment and transition to the Medicare Advantage plan that was to begin on January 1, 2023. The State Employee Benefits Committee (SEBC) held its monthly meeting on October 24, 2022, and to comply with Judge Calvin Scott's interim ruling, the SEBC voted to extend the Medicfill contract for state pensioners through December 31, 2023. Therefore, all forms referencing the Medicare Advantage Plan are now invalid and will not be accepted. Beginning immediately, please use the previous forms referencing the Special Medicfill Medicare Supplement.

All forms are updated and available on our website at [delawarepensions.com](http://delawarepensions.com).

Please continue to provide both the non-Medicare health application and the Medicare eligible application for any late submissions.
